Banderillos, tortillas, and ole!!! Recognize the words? You would if you were a member of the Spanish Club, for these are a familiar part of their vocabulary.

One of the most active clubs at C.H.S., the Spanish Club made an annual trip in the spring; went to the Taco House, a restaurant with Spanish food in Indianapolis; and even conducted part of its meetings in Spanish.

Ornaments and musical instruments add flavor to the meetings and put the members in the mood for El Espanol.

Some of the second year Spanish students admire the bulletin board that Mrs. Harris created in the Spanish Room.

A part of the Spanish Club went to Indianapolis at the beginning of the year and are shown at the Taco House, where they dined.

This was the first year for football in the Centerville school system. The team played a six-game schedule. The boys responded well to the training in this new sport, and they proved it on the football field. There were seven seniors on the squad, four juniors, five sophomores, and fifteen freshmen. All of Centerville's home games were played at Lyboult Field in Richmond.

Football appears at C.H.S. . . .

Mr. Sid Reggie was the football coach for Centerville's new team. Coach Reggie has a total of ten years of experience on the football field and one year of coaching. He was assistant coach for Purdue University's freshmen team.

Mr. Reggie was assisted by Mr. Henry Smith. Smith was a great asset to Coach Reggie and the new football team.
